2023-24 Season

MIT Indoor Tennis Welcomes You to the 2023-24 Indoor Season

Serving the MIT community and tennis-playing public, the four-court tennis bubble is located next to the Tennis Center's 12 day/night outdoor courts. Our address is building W53 on Amherst Alley.

Our 31-week season runs from Monday, October 2, 2023, through Sunday, May 5, 2024. The facility closes for holidays on November 24, December 24, 25, 31, and January 1.

We open weekdays at 7 AM and weekends at 8 AM. Regular closing time is 10 PM Sunday- Thursday and 9 PM Friday-Saturday. Schedule and fees are subject to change at discretion of management.

We are 15 minutes by foot from the MIT-Kendall Red line stop and 5 minutes from Mass Ave. bus stops. Nearby on-street parking is limited. Certain MIT parking lots are open to **Indoor Tennis** users with seasonal MIT parking permits. Inquire at the reservation desk for permit applications and pricing.

FEE, GUEST & ID POLICY

We currently do not charge guest fees. Guests may be asked to register, and bubble occupants must present identification when requested by the facility staff.

MIT affiliates and *DAPER* members holding ID cards valid for the 2023-24 academic year are eligible for discounts on contracts and hourly rentals. Discounts cannot be applied after payment is made.

Fees for both contracts and walk-ons must be paid via credit card through mit.clubautomation.com. Players must create an account prior to their first court time and put an active credit card on file. Cards will be charged at the time of court booking.

DAPER MEMBERSHIPS

DAPER (Dept. of Athletics, Physical Education and Recreation) memberships provide access to all *DAPER* facilities and qualify members for discounted indoor tennis rates. For online membership information visit:

INDOOR TENNIS CONTRACTS

Pre-paid court rentals are available for 31 and 14-week periods. Each contract reserves a weekly one-hour court/day/hour slot. 31-week contracts begin October 2. 14-week contracts begin October 23, end January 28, and are for the Monday thru Friday, 6 to 7 PM time slots.

Contracts guarantee your playing times, cost less than walk-on rentals, and come with a renewal option the following year. Please refer to the contract time-grid for scheduling and fees.

Contract Payments:

Contracts have one owner responsible for payment and must be paid in full before the first use of the court. We currently accept payment via Credit Card only. We do not accept cash.

Make-ups & cancellations:

Free make-ups for owner-cancelled contract hours may be arranged, provided court time is available, and must be taken by the end of the season. Non-prime time make-ups may be upgraded to prime time for an added fee. **Owner-cancelled make-ups are limited to 3 per season per contract. Compensation for unused hours is limited to arranged make-ups. As a courtesy, please give us a minimum 24-hr. advance notice of cancellation.**

MIT Athletic Department events take precedence over **Indoor Tennis** contract scheduling. We will make every effort to contact contract holders well in advance of these conflicts. **Indoor Tennis** will arrange make-ups for MIT event or weather-related cancellations. Heavy scheduling demands may occasionally require event and weather make-ups to be redeemed the following season.

NON-CONTRACT WALK-ON RENTALS

During regular contract time, unreserved courts are available for rental in one-hour increments beginning on the hour. Phone or in-person reservations may be made up to one week in advance. Walk-on rates apply.

STUDENT TIME

MIT students with *DAPER* IDs may reserve courts, one hour per day, for free from 2 to 6 PM Monday-Friday, except when the varsity practices or events conflict. The reserving MIT student must be one of the players. Student reservations are accepted two days in advance. Student walk-ons are allowed to fill unused contract hours.

TENNIS LESSONS

Our facility hosts several highly qualified tennis instructors. To arrange lessons, inquire at the reservation desk for instructor contact information. Only authorized instructors are permitted to give lessons or hold clinics on MIT courts.

A show of respect for fellow players, the facility and staff enhances everyone's enjoyment. On-court occupancy is limited to four players.
