

STANDARD DAY:

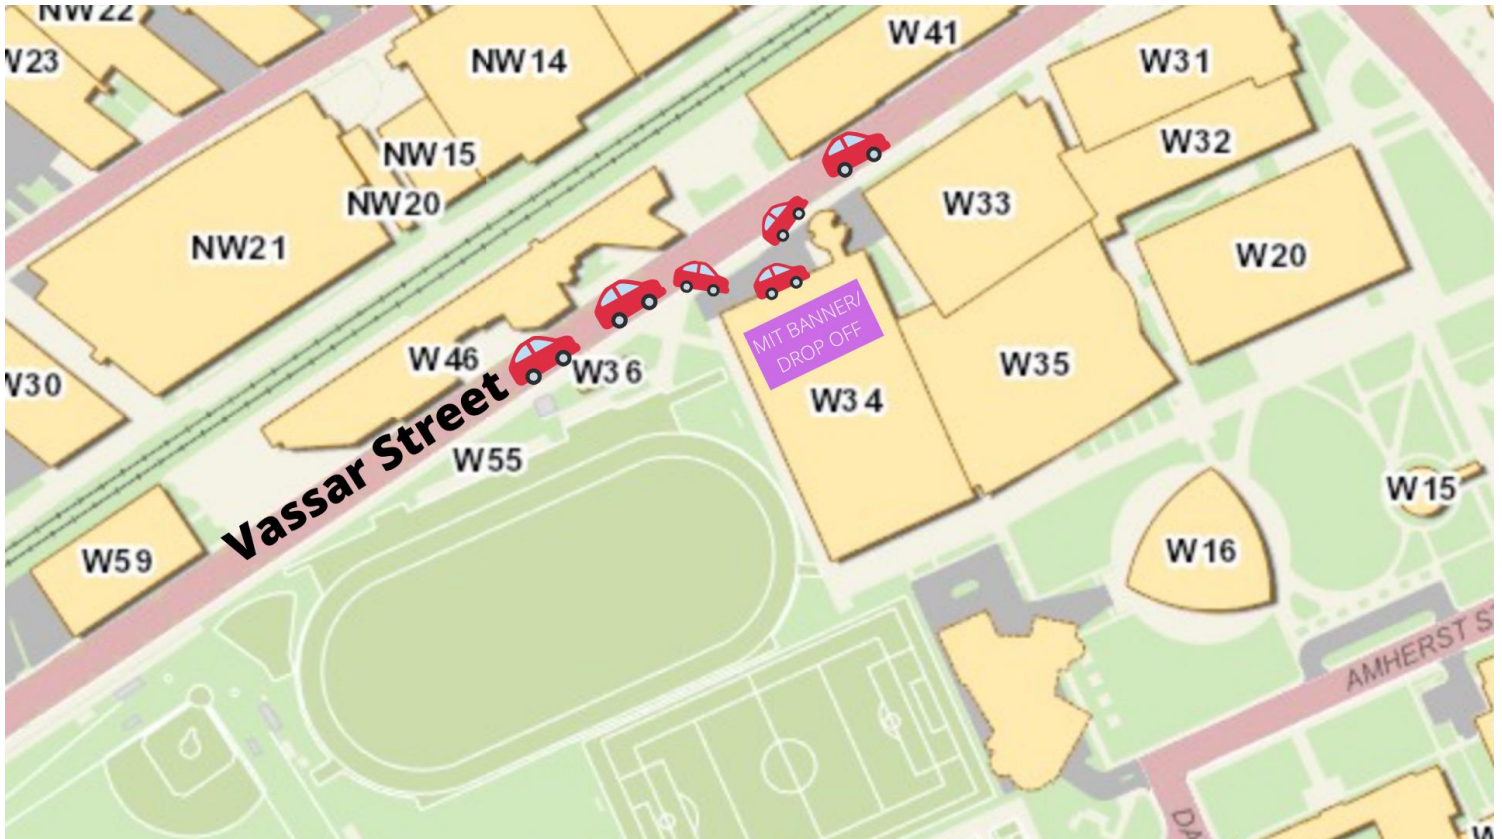

We will be opening up the West Gate lot for parents during drop off and pick up. The gates will be open for all parents to come inside. This will be a line of cars. When entering the lot go all the way to the end and take a left, then go all the way down the end and take another left in the LAST lane! Please stay in your car and follow the line of traffic. Please do not park. There will be cones set up directing parents where to go. There will also be a police detail directing you to exit. You MUST sign your child out every day. Please do not take your child and leave without checking in with a staff member.

Our drop off tent will be located inside the parking lot. Your child will be picked up from the tent and will be shuttled by bus to our facility. Multiple staff will be with your child at all points of this process.

When picking up your child, the West Gate lot will also be open. Please follow the same guidelines as drop off.
